

AMMO & FIREWORKS DISPOSAL

As a public safety organization, the VRFA assists the public with properly disposing of consumer fireworks and small arms ammunition, emphasizing the safe transfer and handling of such materials. The following guide outlines VRFA receivable materials and items that require disposal at another facility.

Fire Marshal's Office
Valley Regional Fire Authority
2905 C Street SW
Auburn, WA 98001
(253) 288-5870

The VRFA can accept the following materials for disposal purposes:

RECEIVABLE AT VRFA

AMMUNITION

.50 Caliber or smaller

PRIMERS

PRIMERS
